Greetings Village Residents,

October brings a time of transition in the Maranatha Village Office. We are taking a moment to say a heartfelt thank you and farewell to Kathy Withers as she has moved on from her position in the Village Office. Kathy has been an important part of our Maranatha family, and we are grateful for her years of service, dedication, and the many ways she has helped our residents and our community. At the same time, we are pleased to welcome Faye Davis to the Village Office. We look forward to getting to know Faye and are excited to have her become part of our Maranatha Village Office Team. Please join us in thanking Kathy and giving Faye a warm Maranatha welcome!

The Search Committee Team has been hard at work in the search for our next Village Administrator. As part of the process, the committee has invited Darrell Friar and his wife, Cindy, to visit Maranatha as we make introductions and get to know one another. Darrell and Cindy are planning to be with us in early November. During the time of their visit they will meet with the Search Committee Team and the Village Board, learn more about our community, and experience life here at Maranatha.

We encourage everyone to take the opportunity to introduce yourselves to the Friars, say hello, and make them feel welcome. A friendly smile, a warm greeting, and a chance to visit can help them get to know the wonderful people who make Maranatha such a special place to live. We will send out a Flocknote when Darrell and Cindy have arrived so everyone will know they are here. Let's continue to pray for God's guidance throughout this transition and for His direction as we look toward the future of our Maranatha Village family.
